# Line Monitor Application

Before filling out this application, please be aware of the commitment required by the members of the Line Monitor Committee. By applying for this position, you agree to uphold the many responsibilities held by the Line Monitors. These include, but are not limited to, doing late night/early morning tent checks, working most (if not all) home basketball games, attending regular meetings, assisting with recycling and clean-up efforts, working past tipoff if necessary, and being a source of information for the tenters. Becoming a line monitor is not, in other words, the easy escape from tenting.

If you feel this position is for you, please fill out this application and sign up for an interview at the list of designated times posted at the DSG office in the Bryan Center. Good luck, and I look forward to meeting you!
